Early Years CPD

Moorside Teaching School are pleased to offer *all Salford Early Years settings*; including schools, PVI's and childminders, the opportunity to participate in a national EYFS Research Initiative with Inclusion Expert. This initiative allows *all practitioners*, working with children from birth - five to access free, high quality online CPD for the whole academic year.

Inclusion Expert's founder, Daniel Sobel, is an internationally respected leader in inclusive education and has advised the DFE, the EU and governments abroad.

The teams' early years training is led by Dr Sue Allingham who is one of the country's leading practitioners in early years education and a trustee of Early Education.

About the research:

- The research initiative is rooted in best practice in the early years, with a focus on **raising outcomes** for all children, particularly disadvantaged learners.
- The modules are split into two categories, 'Identifying Needs EYFS' & 'Meeting Needs EYFS'
- The training materials are appropriate for all levels of competency and experience; from NQT's, support staff, Headteacher to key workers in nursery.
- This fantastic opportunity is **FULLY FUNDED** by Moorside Primary School.
- Offers settings the opportunity to use the materials in a flexible way to best meet the needs of their practitioners and the settings development needs.
- For further information please access: <https://inclusionexpert.com/what-we-do/online-training/mastery/>
- The training resources adopt the following model:

33 Five minute training videos on specific skills

Read excerpts from OFSTED statutory frameworks and other expert guidance

Practice the skills with two students

Guidance for the line manager to review the impact of what has been learnt

We are pleased to welcome Headteachers, Nursery Managers, EYFS leads and Childminders to find out more....

Where: Moorside Community Primary School

When: Wednesday 2nd of October 2019

Time: 4pm or 7pm

(This event should last no longer than one hour)
