## SEND Inclusive Practice in Mainstream Schools

**We are delivering an exceptional full day course aimed at schools who would like to re-organise their SEN systems in mainstream settings**

*The course is delivered by experienced specialist teachers and includes:*

- Our experiences of Attention Autism
- How to help children with language disorders in the classroom
- How to organise and set up systems for; identifying / planning / monitoring children with SEND
  - How to develop staff confidence and accountability
- How to support children with SEN in mainstream classrooms - what works!

*This course is suitable for new SENDco's / Schools looking at re-organising their SEN systems in mainstream schools.*

### **Course fee:**

£50 For  
Salford Schools  
£75 For  
Other Authorities  
Lunch will be  
provided
